Dear Elysian Valley Neighborhood Council,

I, am submitting the attached grant proposal for the i-Ready Pilot Program for our all students at Dorris Place Elementary. The i-Ready software license program focuses on providing students with Math and Language Arts on-line resources that is accessible both at school and from anywhere students can access the Internet. In addition, i-Ready will assist our teachers with instant student data from diagnostic assessments and student assignments that will help monitor the progress of our students. i-Ready also makes it very easy to communicate the progress of our students with parents. After surveying several software programs we feel i-Ready will fit our students' and parents' needs at Dorris Place.

Our school, is a Title I School, and we service students from a low social economic background with several challenges. The large majority of families we service do not have the economic means to purchase a program like i-Ready. In addition, many of parents do not have the academic Math or Language skills that would permit them to assist students in these subject areas. The purchase of this program would help feel that void of academic support that our community needs as i-Ready can be used both at school and at home.

It is worth noting that our school was selected as one of the 2020 Top Los Angeles County Public Schools for their academic gains in Language Arts. Out of 2075 schools in Los Angeles County we are now ranked 38 amongst all public schools in LA County for schools closing the achievement gap for Latinos in Language Arts. We feel that i-Ready has contributed to these academic gains.

Sincerely,

Ismael Berver  
School Principal
