The applicant further represents that the information provided is true and correct. Misstatements, misrepresentations or omissions may cause cancellation, delay or refusal of permit requests.

Education Code Section 38136 Determination of intention; statement of information; discretion of board

No governing board of a school district shall grant the use of any school property to any person or organization for any use in violation of Section 38135.

For the purpose of determining whether or not any individual, society, group, or organization applying for the use of the school property intends to violate Section 38135, the governing board shall require the making and delivery to the governing board, by the applicant of a written statement of information in the following form:

STATEMENT OF INFORMATION

The undersigned states that, to the best of his or her knowledge, the school property for use of which application is hereby made will not be used for the commission of any act intended to further any program or movement the purpose of which is to accomplish the overthrow of the government of the United States by force, violence or other unlawful means;

That, the organization on whose behalf he or she is making application for use of school property, does not, to the best of his or her knowledge, advocate the overthrow of the government of the United States or of the State of California by force, violence, or other unlawful means, and that, to the best of his or her knowledge, it is not a Communist action organization or Communist front organization required by law to be registered with the Attorney General of the United States. This statement is made under the penalties of perjury.
